EXPERIENCE

TurningClouds Solutions

Jan 2024 – July 2024

Frontend Developer Internship- Real Project

Remote

- Implemented to frontend development in Project Supplymint replication using **Angular, React.js, Tailwind CSS, and JavaScript**. Improved page load times by 20% and reduced CSS file size by 30%.
- Enhanced user engagement by 15% through optimized UI components and delivered over 10 new features while fixing 50+ bugs.

SkilloVilaa Bengaluru

Aug 2023 – Oct 2023

Curriculum Associate

Bengaluru

- I interned at Skillovilla as a Curriculum Associate. My role involved working with SQL, Microsoft Excel, and Python. I helped with data analysis using SQL, managed Excel spreadsheets, and contributed to Python projects.

PROJECTS

Admin UI [↗](#) | ReactJS, HTML5, CSS, Javascript

Jan 2023

- Created an interactive web-based data table with standout column titles, filtering, in-memory editing, and robust pagination, improving efficiency with multi-row selection and a select/deselect all shortcut, resulting in a 30% increase in productivity.

MeShop (Shopping Cart) [↗](#) | HTML5, CSS3, Javascript

Dec 2022

- Deployed essential features like 'Add to Cart,' 'Login,' and 'Sign Up,' achieving a 10% faster performance compared to competitors, and integrating secure user authentication for effortless customer access.

Airline Reservation System [↗](#) | Java, Java Swing, MySQL

Dec 2022

- Facilitates user input of departure and arrival points, enabling seamless retrieval of available flight options.
- The existing system is designed to assist passengers in searching for flights between two destinations, whether they are domestic or international.

EDUCATION

School Of Management Sciences Lucknow

Aug 2019 – July 2023

B.Tech - CGPA - 7.8

Lucknow, Uttar Pradesh

COURSEWORK

AccioJob

Oct 2023 – April 2024

Software Developer Trainee

Noida

- Developed proficiency expertise in web development technologies including HTML, CSS, Bootstrap, JavaScript, Material-UI, and React.js, through a well-rounded curriculum.
- Completed 20+ projects, improved coding efficiency by 25%, and achieved a 95% course completion rate.
